*Jason has worked on a variety of transportation planning projects during his 20-year career. His experience as a project manager and task manager includes a wide range of long range transportation planning projects, multi modal travel demand forecasting, model development and application, and corridor studies. Jason received his Master's Degree in Urban and Regional Planning from the University of Iowa and Bachelor's Degree in Economics from Cornell College.*

*Jason and his wife Kim have three kids: Jacob (14), Allie (11), and Lauren (11). In his spare time, he enjoys spending time with his family, coaching his kids' basketball teams, and occasionally home brewing beer with friends.*
