*University of Nebraska -Lincoln Bachelor of Science in Civil Engineering 2010  
Kansas State University Master of Science in Civil Engineering 2014  
Civil Principles and Practices of Engineering (PE) State of Nebraska, 2014*

*Mr. Kankovsky is a senior project engineer for Thiele Geotech, Inc. with eight years of experience in the industry. As an engineer, he has provided supervision of field technicians and project management for variety of construction projects. He has also prepared geotechnical exploration evaluation reports including proposal preparation, setting up a laboratory testing program, evaluating the lab data, and composition of the final report. Work experience has heavy emphasis on airfield pavements, specifically consulting for projects at Eppley Airfield, Offutt Air Force Base, and Lincoln Airport.*

*Josh was born and raised in the Omaha Metro area and a graduate of Creighton Prep. He enjoys all things outdoors including hunting, hiking, and mountain biking. In June of 2016 he completed his first triathlon in Fort Collins, Colorado and was happy to simply survive. Much of his recent free time has been spent laboring at the family lake house that is currently under construction. He has a seven year old Labrador, Layla, that possesses a ceaseless puppy-like demeanor.*
