*Kyle is a civil engineering graduate of the University of Nebraska – Lincoln. He has worked at E&A Consulting Group, Inc. in Omaha for 19 years as an engineer and project manager. Kyle is responsible for a range of residential and commercial development projects. Recent projects Kyle led the civil design for include: Lexus of Omaha, Windgate Ranch subdivision, Aksarben Center Mixed Use Development and the Yard Redevelopment downtown including Kiewit University. He is an active leader in his profession having served as a past Nebraska Society of Professional Engineers (NeSPE) State President and is the current Nebraska House Delegate. Kyle was the 2010 NeSPE Eastern Chapter Young Engineer of the Year. He continues to participate in the Society of American Military Engineers Mentoring Program which he has done since 1999.*

*When not at the office, Kyle enjoys live music and sports. He plays volleyball and golf but will watch any sport. He and his fiancée, Lora, love to travel and have driven the Pacific Coast Highway, taken a Mediterranean Cruise and hiked all of Utah's National Parks in the last two years. Kyle has a younger brother Neil, who is also a civil engineer.*
