Dave Jesse joined The Harry A. Koch Co. in 1989 as a Financial Analyst responsible for financial statement analysis for their Bond clients. In 1991 he took control of the Bond Department as Manager. His success in that area led to expansion of responsibilities into oversight of the Professional Liability program and promotion to Vice President in 1996. Dave's abilities to read the insurance market place, his aptitude in program design and consistent customer service led to expansion of customer focus to the construction arena. Due to Dave's leadership and experience, he assumed a team leadership role and mentors members of the Commercial Insurance Division. In 2008 Dave was promoted to Sr. Vice President and has served as a member of the Executive Management Team since that time. He was recently named a Director and member of the Board of Directors and continues to provide overall leadership and shape strategic organizational direction.

Dave is a graduate of the University of Nebraska Lincoln where he received a Bachelor of Science degree in finance. He is also a graduate of the University of Nebraska Omaha where he received his Masters of Business Administration. Dave is an active Associate Member of the AIA, ACEC, DBIA and AGC. In 2006 and 2010, Dave participated in the Negotiated Rulemaking Committee of the Nebraska Board of Engineers and Architects, representing the insurance industry in the State of Nebraska. He is a frequent presenter to these association meetings.

As a past recipient of a National Insurance Scholarship for Continuing Education, Dave has conducted a number of educational seminars to the Architectural and Engineering colleges at the University of Nebraska in Lincoln and Omaha on risk management/insurance issues.
