

2015-2016 AFFILIATE MEMBER PROGRAM

WHO IS ACEC

ACEC/Nebraska is a member organization of the American Council of Engineering Companies (ACEC). ACEC is a national federation of 51 state-level organizations with headquarters in Washington, D.C. It is the only national organization devoted exclusively to the business and advocacy interests of engineering companies.

ACEC/N was founded in 1967 as a non-profit, voluntary, self-governing organization representing over 50 private engineering firms in the state of Nebraska. The services of member firms of ACEC/N extend over all fields of engineering including civil, electrical, mechanical, structural, environmental, geotechnical metallurgical, chemical, energy production and conservation.

ACEC/N is dedicated to creating a strong business, economic and political environment to enhance our members' bottom line.

WHY SPONSOR

- ✓ **Position you and your business as an authority in your industry**
- ✓ **Gain respect and credibility by standing out in a targeted audience**
- ✓ **Communicate value and support with the audience at the event**
- ✓ **Broaden your competitive edge**
- ✓ **Interact with public and private sector engineers**

These opportunities serve as an aid in enhancing business relationships and developing new contacts through increased visibility and recognition, while supporting ACEC/N initiatives.

TANGIBLE BENEFITS

1. Network with owners and principals of engineering firms along with clients and industry partners
2. Recognition on ACEC/Nebraska website
3. Recognition as an ACEC/Nebraska Affiliate member in our membership directory distributed annually to public officials, legislators, municipalities and the engineering community
4. Stay informed with members-only information
5. Attend events at member rates
6. Participate on committees
